thats the second one in one day wholy shit. Thats like 20-30 min away from my house  the news said it was in daulphin county and some other kid in anohter county like 30 min away brought a box cutter to school. Last year in 3 days and within 1 hour of me a kid A shot his principle and himself B>A kid took moltav cocktails and threw thema t school and hit his principle and shit wiht baseballbats..... PA has been havn lots of this kinda shit latly kinda weird.
