Whenever i open GSA and go to a renegade lobby, if they hear WOL players aboard, they scream, (censored), call names and moan. I am really annoyed why do GSA players hate WOL players...

Because we're better than they are I honestly have no idea, but i have noticed that someone says that they normaly play on WOL but it's down so they are playing on GSA and everyone starts yelling names and such.

A lot of the people on GSA are stupid. I don't know why, but I've found that a lot of people on either side of the GSA/WOL equation are "into" calling anyone from the other side a n00b, even though they've never played with that person. I apologize on behalf of anyone from GSA dumb enough to say something about WOL being n00bs.

They've had it in for WOL since we schooled GSA in the big WOL vs. GSA match.

The fact that a lot of Wol'ers can own GSA with just a pistol, and thats when they are in a Mammoth Tank!

spreegem Because we're better than they are

Thats mainly why, not because WOL'ers are better, it's just when most WOL'ers come to GSA, they always just go.....

"GSA sucks"

"WOL owns GSA"

"You all suck"

"I can own you all"

However some WOL'ers decide not to act like a jackass, and no abuse is said to them.

mainly because the first thing you do when WOL IS DOWN is come into gayspy saying GSA SUX

if you had a bit more respect and said hello THEN say GSA SUX you wouldnt get half the abuse lol

I doubt it; the WOL vs. GSA match was before the time of a lot of "respected" people on GSA.

And yeah, I'm stupid, Fooker. Not like you, who was in the ownage UN clan, and now OZ, about whom I will not comment.

I remember the so called "snipers" of GSA whining uncontrollably when they fell to my rifle. Remember ArmorAce? "NICE LAG SHOT JAVAIXX"

And MrPirate: I honestly don't think it has changed much at all since then.

I find GSA way too laggy. Whenever I play on GSA I have twice the ping that I do on WOL. The only server I ever liked on GSA was renbattle, it was teh pwnage.

Althought I experience no lag at anytime on GSA, I just enjoy being on WOL for the competition and the ladder.

I think you misunderstood me, Java. I only meant that people from GSA don't remember, or in some cases know about, the WOL vs. GSA games.

We should have another WOL vs. GSA game
