People are always telling ACK that his maps are no good, but what about people who like his maps? I think this guy was talking about Country_Meadow:

<fhsijflkdjvndkindisj> (") COME ON MAN SOEMOEN HSOTED THE MAP MEDOWS THATS ONE FO THE BESTED MAPS ON THSI SHIT

People who say that ACK's maps are bad are just loud and obnoxious, it offsets the amount of people who actually like ACK's maps...

As a general rule of thumb, anyone who yells or complains about ACK wants to be in his fanboi club.
