Okay, I know about that serial number should ask from EA. But, I asked some weeks ago, and they won't send it..

Anyway, I hope about some1 would give the serial number. For FREE DEDICATED SERVER (FDS), NOT for the game.

Thx already.

I hope about I get that serial number to host game with BR.

You shouldn't give the FULL GAME serial to anyone as most of the people requesting them are stupid Warez users and didn't buy the game like the rest of us did. . .

My CD's broke on the original one (both of them), so as it's so cheap, I just bought Renegade again.

And EA do care about some games, but they care less about this game because they didn't make it.

I lost my Zero Hour serial, and EA gave me another one within 36hours.

I wish I could buy, longbow. Unfortunatly, My mother is holding my money and will know of every purchase I make. I can't tell her I lost the serial key or she will go ballistic.
