Dear Moderators,
I would like to know why I was banned from the renegade forums. If it is something I said and you did not like you can not ban me for that under the 1st amendment Freedom of speech I will take this to court i have the right to talk and express my opinion. I will have this site Closed in a second... Thats your only warning I have the power to shut down your site... Now reapy as soon as possible you have 48 hours before I start the lawsuit!

Remember, US citizens are granted Freedom of Speech under the first amendment of the Constitution of the United States. However, this is the Internet and privately owned websites do not fall under this. That's like if I came to your house and spraypainted "Bob Johnson is an asshole" on the wall. I can't sue you for freedom of speech if you lock me out of your house.

Wow... He is a true dumbass...

I take it back, he isn't one of the dumbest and most illiterate kiddies out there, he is THE dumbest and most illiterate kid out there.

1. Like Crimson said, the first amendment isn't applicable in privately owned and moderated boards like this one.
2. No lawyer is going to represent an immature, illiterate, grammatically challenged, self centered little kid.
3. You don't possess the power to shut your mouth, how are you going to shut down the site? lol...
4. I doubt someone as young and mentally retarded as you could start a lawsuit.
5. I could make this reply pages long just by correcting the wealth of misspelled words and the incorrect usage of grammar in your message.

Lol... Why did you censor his e-mail address?
