Currently we have a total of 7 servers, 4 on wolspy and 3 on GSA only.
we need 3 moderators each for both our Default Map servers. PLease pm me if you want to be a
mod and what time  you usually play.

This may sound like the wrong thing to do, but put an automessage on during gameplay about
applying to be a mod. No doubt you will get a lot of responses, so keep an eye on those who
applied and play alot and select those few.

Also try to make sure they don't cheat themselves theres nothing worse than a mod who cheats.
